

## A TAILORED SOLUTION TO SET UP YOUR BUSINESS IN FRANCE

On top of assisting English speaking investors/entrepreneurs in the administrative process of filing their paperwork to the local authorities, the Ille-et-Vilaine Chamber of Commerce works with English speaking Business Consultants who can assist English speaking entrepreneurs in creating their companies as well as interpret their conversations with local bankers, lawyers, accountants and advise them on other matters regarding settling in France.

### YOUR GOAL

- To understand French rules and regulations regarding settling a business in France
- To be advised on how to create a business in France and choose the correct legal status, insurance, retirement plan etc...
- To be assisted in setting up a bank account, choosing an accountant, filing visa forms etc...

### OUR SOLUTIONS

- We process your paperwork regarding registering, changing or closing down your business company
- We check and submit all the necessary documents and make sure that they are processed in a timely manner by all the official bodies: le Greffe du Tribunal de Commerce, l'INSEE, le RSI, l'URSSAF, various fiscal services etc
- We provide you with interpreting services for your meetings with bankers, lawyers, accountants, government authorities and other institutions
- Our consultants can advise you on other matters regarding settling in France

### BENEFITS

- Get full understanding on settling in France on the business and personal sides.

## FOR WHOM ?

- Companies whose business sector is in the realm of the CCI Ille-et-Vilaine jurisdiction (Entreprise individuelle, société, agent immobilier, commerçant ambulant...) or whose business sector doesn't belong to any jurisdiction.
